PROPERTY DESCRIPTION

Beautiful one story view home at the end of a cul-de-sac located in the Quintana tract of Dos Vientos.

This beautiful home has an open and spacious floor plan with incredible mountain views. There are four bedrooms, one of which is being used as an office, and two and a half bathrooms (with the half bath easily convertible to a full). There is recessed lighting, custom paint and window treatments throughout and each room has vaulted ceilings. Enter into the foyer and the formal living room with a fireplace and custom mantel and gorgeous distressed walnut plank flooring that extends into the kitchen and family room area. The gourmet kitchen has granite counters with a center island, six burner Viking Professional with Double Oven, microwave, breakfast area and walk in pantry. The kitchen opens to a spacious family room with a raised fireplace, full surround sound system and French doors to the backyard. The master bedroom also has access to the backyard via French doors. The master bathroom has double sinks, spa tub, separate shower and walk in closet. There are ceiling fans in the family room and all of the bedrooms. There is also a very convenient, functional laundry room, with a sink off of the kitchen. The backyard is perfect for entertaining with Belgard pavers and a raised entertaining area complete with a built-in BBQ and counter. And, as an added bonus, the view from this beautiful backyard is incredible and there is even room enough for a pool! Belgard pavers driveway leads to the three car garage and the front yard is fully landscaped. The home is wired with WIREWORX communication jacks throughout.
