PROPERTY DESCRIPTION

What a find! A circular driveway leads to this fabulous two story home with 4 bedrooms (1 being used as an office) and 2.5 bathrooms on a wooded acre of land that allows for up to 2 horses. The formal living room offers large windows, a high ceiling, a granite and wood fireplace and a door leading to one of the five decks. Travertine flooring and wood shutters accent the formal dining room. The spectacular kitchen features stainless steel appliances including a sub-zero fridge, pull-out cabinets and recessed lighting. Beamed ceilings and doors leading to a deck are found in the family room. The tranquil master retreat has many windows, a wood ceiling and a private balcony overlooking the lush yard. Dual sinks, tile flooring, and a shower and separate tub are found in the master bath along with a walk-in closet and a bonus room. This home also offers a spacious laundry/craft room and a three car garage. There is something for everyone at this property! Information from sources deemed reliable, but not verified.
